Assumptions
ROUND TABLE SETUP
We use 6ft round tables, space between each table is also 6 ft, from front to back
=>> 4 tables each row, 7 rows = 28 tables => *12 people = 336 people total

RECTANGULARE TABLE SETUP
We use 6ft tables long, 3ft space wide,
=>> 5 tables each row, 9 rows, 32 people each row = 288 people total
